

Dear Parents,

Once again, I would like to emphasize that our staff has been working non-stop on the implementation plan to have everything ready by the time we get permission to open the school. We are in constant communication with our UGEL and we are doing everything possible to guarantee a safe, voluntary, gradual and flexible return.

It is of the utmost importance to us that all parents are aware of what the school has been doing so far. It is for this reason that we want to share with you the **Implementation Plan** that we have developed for the day when we can return to a hybrid class model.

Therefore, we would like to invite you to a meeting where we will explain the plan as we have it to date. The Webinar Zoom meeting will take place on **Wednesday, September 1 at 6:00 pm.**

They will receive the invitation by email to access through the Extranet or they can also access from the school App using the "Meetings" icon. During the meeting they will have the opportunity to ask questions through the *chat* , and those questions that remain unanswered will be answered through an email.

We understand and share your frustration at not being able to open the school yet, so we hope that you will be able to attend this meeting, as it is important to us that everyone is informed of the plans we have.

Kind regards,

Ruth Percival

Headmistress
