- Collaborate with members of the department to prepare and develop schemes of work, sharing best practice.
- To be aware of and comply with all the School and Department policies including those for marking and assessment, teaching and learning and reporting.
- Adapt teaching accordingly, knowing how and when to differentiate to help each pupil reach their potential.
- To promote and safeguard the welfare of pupils in line with the school's child protection and health and safety policies.
- To promote a Growth Mindset through all teaching and learning practices.
- Assess, record and report on the development, progress and attainment of pupils
- Attend department and whole school meetings.

Technology

- Maintain an understanding of technology and its use in teaching and learning.
- Be a proficient user of Google Suite.
- To integrate the teaching of Physics through technology (eg. Use of Vernier sensors)
- To use online teaching platforms such as zoom, peardeck.

Specific responsibilities

- To teach Physics to IGCSE level (Cambridge syllabus) and possibly beyond (International Baccalaureate/ Internal Program post 16 years).

Formal Qualifications

- A good Bachelors or equivalent degree in Physics or a Physics-related subject.
- Evidence of being, or having the potential to be, an excellent teacher.

Competencies required

- Native or fluent in English
- Clear and effective communication skills
- A positive and proactive attitude to CPD
- Confidence in using technology to support and enhance learning
- Approachability, accessibility and flexibility
- High levels of organisation
- The ability to motivate and inspire young people.
- Capacity to work unsupervised and use initiative.

Personal Qualities

- Effective interpersonal and communication skills.
- A team player
- Positive attitude

Other relevant experience

Experience of working with EAL pupils (English as an Additional Language).
